Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This book gives an insight into the very fascinating aspects of parapsychology namely psychic phenomena, and reincarnation which are closely linked. This would become apparent to you when you are enthralled in the book. Parapsychology is the scientific approach to paranormal activities outside the domain of physical laws. The book is in a question and answer format with several case studies on both psychic phenomena and reincarnation which are closely linked. It is based on the Author s experiences, the experiences of many friends and relatives, and on the investigative work done by eminent psychiatrists. When one reads a book on any subject it leaves many questions unanswered. Boyd has put himself in your position, and has anticipated the everyday questions to which you seek convincing answers you can relate to reality. He presents the facts as he sees them and you come to your own conclusions. The primary objective of the book is to disseminate the TRUTH although it may be unpalatable to those with vested interests. He states that if you accept the TRUTH, and wish to change your life style, it would be a giant step in the right direction. He explains the meaning and purpose of life. You would also learn whether or not death involves pain. Also what awaits us in the spirit world. Boyd reconciles the views expressed by Christianity, Islam, Buddhism, and other religions and philosophies .Plausible explanations are given for pre mature births, miscarriages, birth deformities, suffering and the like. He explains the thought forms we all receive from time to time, and how we can benefit from them. He enlightens you on the origin and significance of dreams that...
