Campfire Graphic Novels, New Delhi, 2008. Soft cover. Book Condition: New. 72pp, full colour illustrations. It was supposed to be a standard rescue? As far as Tom Billings was concerned, all he had to do was set sail for the South Pacific island of Caprona and find the last-known whereabouts of Bowen J Tyler. It sounded so simple. However, arriving on the island with his own private army, Billings becomes separated from his companions after a machine gun fight with what appears to be a prehistoric creature. Standing between Billings and Tyler is the interior of the island, known to its local population as Caspak. It is a hot, overgrown, and unforgiving land. We accompany Billings step by step as he experiences strange rituals, vicious creatures and ancient tribes ? many of whom want to kill him. There are times when he almost resigns himself to death in the face of insurmountable odds. But, true to his nature, he never gives up. The People That Time Forgot is the second book in the Caspak trilogy, written by Edgar Rice Burroughs. Since 1918, this science fiction story has delighted and enthralled millions of readers. Preceded by The Land That Time Forgot, this second book in the Caspak trilogy will capture your imagination, by bringing to life the wild, ferocious and dangerous island that is Caspak.
