Createspace, United States, 2011. Paperback. Book Condition: New. Amber Henry (illustrator). 198 x 129 mm. Language: English . Brand New Book ***** Print on Demand *****.Ten years after 9/11, most Americans find themselves in a real fix. America now has one of the highest wealth inequality, unemployment and poverty rates in the world. At the same time, corporations, the wealthy and elected officials are richer than ever. But, aside from the Occupy Wall Street movement, Americans have done nothing about it. Until now. Take a wild, hair-raising ride with Professor Gizmo and his trusty sidekick as they try to help the Occupy Wall Street movement fix the fix we're in and save the world in the process. Unfortunately, the question quickly becomes - do we really want their help? A unique perspective for protesters and non-protesters alike, this book is a fast, fun and sometimes funny read - and offers an offbeat, satirical look at the problems facing America, with some serious solutions on how to fix them starting now. There's also a wealth of quirky ideas, insights and inspiration in Professor Gizmo's top 30 ways to fix America, favorite quotes and signs, and personal tips for success. All in all, an upbeat rallying cry for a country in dire need of common ground to spark an inspired comeback.
