Emerald Group Publishing Limited. Hardcover. Book Condition: New. Hardcover. 216 pages. Dimensions: 9.3in. x 6.4in. x 0.8in. Hardbound. This special volume is devoted to a single topic. In the past several years, many governments, including the United States and Canada, launched a major shift to what are sometimes called incentive based pollution control procedures. Because these proposed systems inherently required institutional design, they constituted a natural domain for laboratory experimental economics research. This item ships from multiple locations.
