

Truly Madly Yours

By Rachel Gibson

Headline Publishing Group. Paperback. Book Condition: new. BRAND NEW, Truly Madly Yours, Rachel Gibson, Have you ever been crazy in love? Delaney Shaw is mad - really mad. Arriving in the town of Truly, Idaho, for the reading of her stepfather's will, her plan was to pay her respects and then leave again as fast as she could. But the will has some unexpected conditions - like the one that says if Delaney wants her three million dollar inheritance she needs to stay put for a year! Twelve months in Truly will drive her nuts, although not as nuts as she'd be to leave and forfeit the money. So staying put seems like her only choice. But then there's the will's other condition - the one about having nothing to do with sexy, brooding, love-'em-and-leave-'em, Nick Allegrezza. Which is fine by her. Because she'd have to be crazy to want to have anything to do with him anyway. Right?.
