BLUE FASA (PAPERBACK)

New Directions Publishing Corporation, United States, 2015. Paperback. Book Condition: New. 218 x 150 mm. Language: English . Brand New Book. Nathaniel Mackey s sixth collection of poems, Blue Fasa, carries forward what the New Yorker has described as the mythological conception and descriptive daring of his two intertwined serial poems. A long song that s one and more than one, this collection takes its title from two related black musical traditions, a West African griot epic as told by the Fasa, a clan in ancient Ghana, and trumpeter Kenny Dorham s hard bop classic Blue Bossa, influenced by the emergence of Brazilian bossa nova. The book opens with the catch of the heart and the call of romance, as it follows a band of travelers, refugees from history, on their incessant migrations through time, place, and polity toward a truer sense of being and belonging.
