

Saxon Math Algebra 1 - 4th Edition Homeschool Kit with Solutions Manual (Paperback)

By 4th Edition

Cengage Learning, Inc, United States, 2011. Paperback. Book Condition: New. 284 x 224 mm. Language: English . Brand New Book. Provide students with a college-prep math course that will give them the foundation they need to successfully move into higher levels of math. Saxon Algebra 1, 4th Edition covers all of the traditional first-year algebra topics while helping students build higher-order thinking skills, real-world application skills, reasoning, and an understanding of interconnecting math strands. Saxon Algebra 1 focuses on algebraic thinking through multiple representations, including verbal, numeric, symbolic, and graphical, while graphing calculator labs model mathematical situations. Incremental lessons include a Warm Up activity; New Concepts section that introduces new concepts through examples with sidebar hints and notes; and Lesson Practice questions with lesson reference numbers underneath the question number. Online connections are given throughout for additional help. Real-world applications and continual practice review provide the time needed to master each concept, helping students to build confidence in their mathematical abilities. Distributed, color-coded strands cover algebra foundations; functions and relations; equations; linear equations and functions; polynomials; rational expressions and functions; inequalities; systems of equations and inequalities; radical expressions and functions; quadratic equations and functions; absolute-value equations and inequalities; and probability...

Reviews

This pdf may be worth getting. It is actually written in straightforward words and not difficult to understand. You will not feel monotony at any moment of your respective time (that's what catalogs are for about should you request me).

-- Miss Golda Okuneva

Extensive information! It's this type of excellent study. I have read and I am sure that I will go through yet again once more down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.
