Joshua Cohen, United States, 2014. Paperback. Book Condition: New. Corne + Enroc Illustration (illustrator). 216 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Emma the golden dragon is perfectly happy with life just the way it is. She is popular at school, she gets good grades and after homework she still has time left for playing with her friends. However, little Emma s life is turned upside down when she discovers that she must leave the familiarity of her home in Mythton Ville and its school for fancy creatures. On learning this news, the once kind and gentle dragon turns into - well, a bit of a dragon! It takes a few very important lessons about life and friendship before our golden girl learns the error of her ways. Luckily this delightful rhyming tale, with its beautiful illustrations ends on a high note, with Emma realising that happiness is more about personality than the place where you live.
