Brand New Book ***** Print on Demand *****.Metaphysical Encounters of a Fourth Kind Audrey Craft Davis * Dr. Davis takes the profound knowledge of the spiritual and metaphysical realm and makes it easy to understand. Metaphysics made easy could define this book * The reader can identify with the examples, personal and otherwise. * After reading this book, one will never fear death. * Learn to achieve miracles and take back your power, through instruction and examples of the magical force in applying the book s principles. * Words and thoughts are things. They materialize. You can control your thoughts! * Don t give them your life force by thinking about them or speaking them, unless the subject is one you will want to materialize in your life. Man is God s only creation with the ability to change his world by changing his thoughts and words. Learn how to go into the silence to quiet your mind. * Collective words and thoughts can and do change the world and civilization. Mantras and chants are very powerful. * Love is the greatest force in the world. Learn the love technique for surrounding your loved ones and yourself with the white light protection. This was proven in the author s life and others. It is not your imagination. * You can communicate with those from the other side. Read the author s personal experience as well as others. * Learn to use your right brain through your alpha, theta and delta brain wave frequencies. * Do you know your guardian angels and spirit guides? They have been with you since the day you were born. Learn how to talk to them and gain...
