Brand New Book ***** Print on Demand *****.Venice Italy is one of the most visually stunning cities in the world. it looks as if it was put there by magic to spend it over the water that sparkles like 1000 diamonds vanished works like it was made from a dream as hundreds of gondolas and boats glide by, filled with happy couples or adventure seekers trying to discover the secrets of the universe. Some say that if you fall in love in Venice you will learn every secret the universe has to offer. This city was designed for pedestrians, for obvious reasons it s old world grid plan was never changed. And since there are no cars in Venice city proper young lady get around it either by foot or boat. Even your cab will drop you off on the outskirts of the city and you will be left to your own devices to figure out the best way of reaching your hotel. Depending on the distance, you may prefer to walk (you will be doing a lot of walking. So be sure to bring more than one comfortable pair of shoes). Or if your luggage is extremely heavy you may wish to take a water taxi to your hotel. After you drop off your luggage you can begin to explore the city and you will very shortly learn that the city is divided up into many plazas and squares. All of which have breathtaking views of the phenomenal old world architecture and buildings. That is slowly despairing beneath the water, and you will marvel at the ingenuity that the Venetians possess to keep their city afloat. It is amazing to realize...
