Universal Publishers, United States, 2002. Paperback. Book Condition: New. 216 x 140 mm. Language: English Brand New Book ***** Print on Demand *****.Are you ready to build an effective Web site that sells? One that brings in serious prospects? Then **Create Web Content That Sells!** is for you. It s a tutorial about writing effectively for Web visitors, creating a useable site structure, getting a marketing mind-set, and choosing practical graphics for your Web site. Whether your site sells wrenches to left-handed mechanics, offers landscaping services, or strives to cultivate loyalty in the hearts of your existing customers, the basic tenet of great Web content is universal: speak to your audience. And **Create Web Content That Sells!** shows you how to get down and dirty, one-to-one, with your audience, through writing, structure, and graphics. Small business people need every edge they can get, so we designed our marketing section to fit this need. Plus, anyone involved in content development will find the writing section extremely valuable.
