America Star Books, United States, 2009. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.The people featured in this book are not the great leaders of Hebrew history. These are the unknowns who rose up to achieve remarkable victories. They were spurred by a spirit within, and when it did, they could not resist. These are the unheralded heroes and heroines of whom we don't hear. But without them, the history of the Jewish people would be much different. It is my hope that you will be encouraged and inspired. Remember that the people and the events are not fiction. They really happened. These people were faced with very difficult choices. It was no different for them than it would be for you and me today. Death looms ever present and they had to overcome their fears the same as us.
