B-277291 accurate information on this public private sector workload distribution. If s analysis of its compliance with 10 U. S. C. 2466 is to be meaningful, DOD improvements are needed in the data collection and reporting process. To improve the accuracy of reporting on the amount of funding for depot Recommendation maintenance in the public and private sectors, we recommend that the Secretary of Defense develop a standardized methodology for annually collecting depot maintenance funding data for the public and private sectors. This should include (1) a specific definition of the types of activities to be reported, (2) the defense components that should be reporting, and (3) specific data collection processes and procedures the military departments are to follow to insure complete, accurate, and consistent reporting of the amount of funding provided for public and private sector depot maintenance workloads. DOD officials commented on a draft of this report. They concurred with our Agency Comments findings and recommendations. We made technical corrections in several DODs response is included in appendix I. areas to address their comments. Subsequent to DODs response, the Deputy Under Secretary of Defense (Logistics), in a memorandum dated December 5, 1997, established an annual process for reporting public and private sector maintenance costs as required by the fiscal year 1998 Defense Authorization Act, which amended 10 U. S. C. 2466. The Secretarys memorandum also provided new guidance to more clearly define the types of workloads that are to be included in future workload...
