What's the most common reason customers are turned off by ads? Which recent technology ranks highest as a consumer pet peeve? As founder and chairman of America's Research Group, Britt Beemer has spent the past two decades researching questions like these and learning how to virtually read the minds of American consumers. *Predatory Marketing* is based on one powerful principle: find out what your competitors do best (don't focus on their weaknesses) and convince their customers that you can do it even better. Applying this prescription to all aspects of marketing--advertising, public relations, customer service, and sales--*Predatory Marketing* reveals proven methods for winning customer satisfaction and loyalty. Including special nationwide Consumer Mind Reader surveys conducted exclusively for this book, *Predatory Marketing* is packed with hundreds of crucial facts, such as: The ten most budget-conscious cities in America; The top ten reasons why advertising fails; The eight characteristics of America's highest-rated retail salespeople. Be first. Be right. Or be dead, Beemer teaches. *Predatory Marketing* is a gold mine of wisdom to help anyone in business not only survive, but win. This item ships from multiple locations.
