Brand New Book ***** Print on Demand *****.Thirty years ago, Dan Destin came from Southern Italy without a proverbial dime in his pocket. He settled on the North Shore of Long Island, the famed Gold Coast of yesteryear. He worked hard and made a fortune in construction. His son, Marcus, a brilliant architect, just bought a gold coast mansion built in 1916 in Glen Cove. Newcomer, Dan Destin and his son epitomize the American Dream. But the law of unintended consequences will wreak havoc with Dan, Marcus, and all those they love. Destin Enterprises Ltd. has purchased the right to build on sixty acres of prime land adjacent to the recently christened, Gold Coast Seaport located not far from the Long Island Sound. Prestige International, a hotel conglomerate, expects to build a twelve story luxury hotel and two hundred and fifty vacation villas at the seaport with Destin s permission. In-stead, Marcus Destin visits Prestige s headquarters in Orlando and gives their executives bad news: the seaport development project will include Victorian-era homes, a Seaport Retail Village and cultural sites -- but no hotel and no villas. Then a CAT 3 hurricane strikes Central Florida. Marcus is missing and may be wandering the streets of devastated Orlando, with amnesia. At the same time, the ribbon cutting ceremony for a new ferry terminal is taking place at Gold Coast Seaport on Long Island. Soon, ferries will shuttle the rich and famous of the north shore to Manhattan in less than forty minutes. As the ceremony draws to a close, Marcus s young son, Tiberius, discovers what he believes are the archeological remains of a murdered Native American -- just yards from the seaport development site....
