This is the very best publication we have read through right up until now. It is one of the most incredible book we have read through. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Summersdale Publishers. Paperback. Book Condition: new. BRAND NEW, The Friendship Highway: Two Journeys in Tibet, Charlie Carroll, Tibet was not just on the horizon, it capped it. Four thousand metres above this city was a country of stone and ice, and, even though it was officially closed, there was still a way in. A compelling and unforgettable encounter on the roof of the world. Hoping to reach Tibet after a twenty-year obsession, Charlie Carroll travelled to China. Contending with Chinese bureaucracy, unforgiving terrain and sickness-inducing altitude, Charlie experienced twenty-first-century Tibet in all its heartbreaking beauty. Tibetan-born Lobsang fled the volatile region over the Himalayas, on foot, as a child in 1989. An exile in Nepal, then a student in India, he was called back to Tibet by love. At the end of the road known as the Friendship Highway, he met Charlie and recounted his extraordinary life story, exemplifying the hardship, resilience and hope of modern Tibetan life.
