Brand New Book ***** Print on Demand *****.Cecilia Payne was fifteen years old, living with her father on Doctor Wunder s farm in Alexandria County, Virginia in the shadow of the nation s Capital when the Civil War landed on their doorstep. Yet before the last year of the war she would lose nearly everyone she loved vowing to leave up-county and never return. Now seven years after the war, she and her daughter were back to settle her family s affairs with the Southern Claims Commission. This is a story about a young...
