The Committee also supports continued cooperation with other agencies, in-cluding the Department of Energy, to develop improved tech-nologies to better use this valuable domestic source of energy. Budget Criteria. - According to the Administration, the Corps budget request is a performance-based budget developed using ob-jective performance criteria. Within the Investigations account, funding was allocated based on continuing the highest performing studies and design, but the Committee has been unable to ascer-tain what objective measures qualify a study as high-performing. Construction funds were allocated based on a mix of factors in-cluding severity of dam safety problems, benefit-to-cost ratio, risk-to-life index, Endangered Species Act compliance, and cost-effective restoration of a nationally or regionally significant aquatic eco-system. Operation and Maintenance funds were allocated based on a mix of factors including tonnage movements, risk and con-sequences assessment, and visitation at recreation sites. It is en-tirely unclear, though, how...
