Reviews

This book is indeed gripping and interesting. It really is rally exciting throgh studying period. Its been written in an extremely easy way and is particularly merely soon after i finished reading this book through which in fact changed me, affect the way i think.

(Aisha Lemke)

ROAD-SIDE DOG (HARDBACK)

Farrar, Straus Giroux Inc, United States, 1999. Hardback. Book Condition: New. Reprint. 164 x 146 mm. Language: English . Brand New Book. I went on a journey in order to acquaint myself with my province, in a two-horse wagon with a lot of fodder and a tin bucket rattling in the back. The bucket was required for the horses to drink from. I traveled through a country of hills and pine groves that gave way to woodlands, where swirls of smoke hovered over the roofs of houses, as if they were on fire, for they were chimneyless cabins; I crossed districts of fields and lakes. It was so interesting to be moving, to give the horses their rein, and wait until, in the next valley, a village slowly appeared, or a park with the white spot of a manor in it. And always we were barked at by a dog, assiduous in its duty. That was the beginning of the century; this is its . I have been thinking not only of the people who lived there once but also of the generations of dogs accompanying them in their everyday bustle, and one night-I don t know where it came from-in a pre-dawn sleep, that funny and tender phrase composed itself: a road-side dog. -- Road-Side Dog.
