Brand New Book ***** Print on Demand *****.Poetry is often the expression of love, of angst, of splendor, of the divine wisdom. Like the separation between self and spirit, source, the universe, it is only the limitation of the mind that end or begins with each breathe of reflection. We all are one. Words of the Heart is the continuing journey through Jennifer Hillman s poetry as she lives and becomes more aware of the values of the lessons she learns along the way. Her connection with the Divine is through the expression of relationships, near and far. The mysteries of life are only deepens and add more curious questions with each interactions with the soul mates on her journey. The lines blur the more open she becomes and embraces her creations and experiences.
