

Backyard Ducks Quack Me Up!: Learn How Not to Care for Ducks While Solving the Pellet-Food Mystery. (Paperback)

By Diana Jo Rossano Ph D

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Are you thinking about raising backyard chickens or backyard ducks? Not too sure of how to pull it off because you are a city kid? How do you protect them from predators? How do you make a duck run or chicken run? Then you ought to read this book to avoid some of the mistakes that Diana made. Everyone makes mistakes, but no one has time to make all the mistakes that Diana made. Save time, energy and heartbreak by knowing what NOT to do. Diana bought 20 ducks so she would have homegrown eggs for breakfast. Sounds like a simple idea until a mystery arose and ducklings started to drop like flies. Find out if you can guess the answer to the mystery before a Ph.D. Everyone knows that a Ph.D. stands for psychotic, hysterical and dumb. You have a good chance of being smarter than she was. Includes pictures of the ducks, their duck run and duck house.
