Excerpt: .natural temptation, into an inveterate habit. The more common result, however, of this vicious practice is a premature stimulation of the sexual nature, which throws youth of both sexes either into habits of early licentiousness, or into a morbid condition of mental impurity. An experienced physician writes: -- The earliest and most frequent cause of disorder of the generative apparatus is the practice of self abuse, the tendency to which is strongest about the age of puberty. Excitement is increased by the conversation and thoughts which are indulged in, and it is apt to be unchecked by the moral control which has not yet acquired its proper influence. Children are often induced to the pernicious practice by their companions, who may be as ignorant as themselves of the wrong and mischief they are doing. It would be a very good thing if those who...
