

The Original Counter-Argument: The Founders Case Against the Ratification of the Constitution, Adapted for the 21st Century (Paperback)

Filesize: 6.49 MB

Reviews

Absolutely essential study book. It normally fails to price excessive. I realized this ebook from my dad and i encouraged this publication to find out.

THE ORIGINAL COUNTER-ARGUMENT: THE FOUNDERS CASE AGAINST THE RATIFICATION OF THE CONSTITUTION, ADAPTED FOR THE 21ST CENTURY (PAPERBACK)

[DOWNLOAD](#)

Createspace, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The Founders warned about placing too much power in the hands of too few people. This book explains the warnings of the Antifederalists, in their own words, simplified into modern English. In its pages you will read some of the most important writings from America s Founders--important but forgotten. It is the greatest case of to the victor go the spoils in American history. The advocates of the United States Constitution won, narrowly, and the counter-argument of the opponents became the losing argument and up until now the lost argument, much to our loss. Why would anyone be opposed to the Constitution, and who were they? A couple of the names of those opponents will be familiar: George Mason for his namesake university s winning basketball team and Patrick Henry for saying Give me liberty or give me death! But how many people know that these Founders were opposed to the U.S. Constitution? Does anyone know their reasons for opposing it? They will after reading this book! Included here are some of the most widely read, most significant, and most famous essays, speeches, and letters from the opponents of the Constitution at the time. These writings deserve a much wider audience. They help us know the intended direction for a federated republican government and warn us about the risk of a national government growing out of control. Knowing how we got here requires knowing where we have been. The U.S. as it stands today would certainly be unrecognizable to the Founders in 1787 not just because the U.S. today has 78 times as many people as it did then, but because the federal government probably has much more...
