NOT JUST BECAUSE.: THE CASE OF THE OVAL 4 AND THE STORY IT TELLS OF BLACK POWER IN 1970S BRITAIN (PAPERBACK)** book.

Black for a Cause, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.In March, 1972, Winston Trew and three other black men were confronted at the Oval underground station, London, by a group of seven white men claiming to be policemen, who accused them of nicking handbags. An argument broke into pushing and shoving, and then escalated into a fight. When police arrived they were arrested as it turned out the white men they were fighting were themselves undercover policemen. They described their experience in the police station as a night of dread. After a 5-week trial at the Old Bailey the Oval 4 were found guilty of attempting to steal, theft, and assault on police. All were jailed for 2 years. In 1973 they were released from prison after a successful Appeal. The Oval 4 episode is an eye-opening event because it not only illustrated the character and contours of Black Power activism in Britain in the 1970s--resistance to police violence and corruption and judicial collusion--it also debunks the myth that the 1960s was the only period of Black Power activism in Britain. Praise for **BLACK FOR A CAUSE . NOT JUST BECAUSE . . .** a profoundly original book . there s nothing else like it. -Chris Searle, Morning Star Online A brilliant book . This is the first I have read on the modern history of Black people (in Britain). It is important that Black identity is dealt with in such an honest and powerful way. -Professor Emeritus Geoff Palmer, Heriot Watt University, Scotland . . makes for compelling reading. Possibly the first book on the British Black Power movement written from the inside. -Harmitt Athwal, Institute of Race Relations, London.
